Details

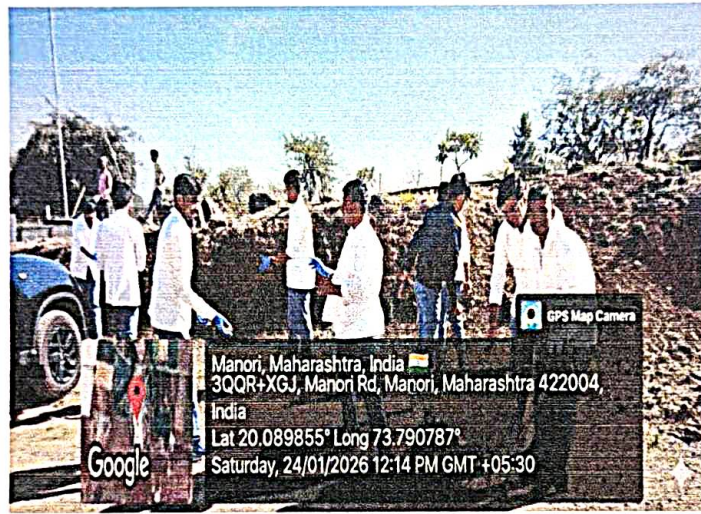

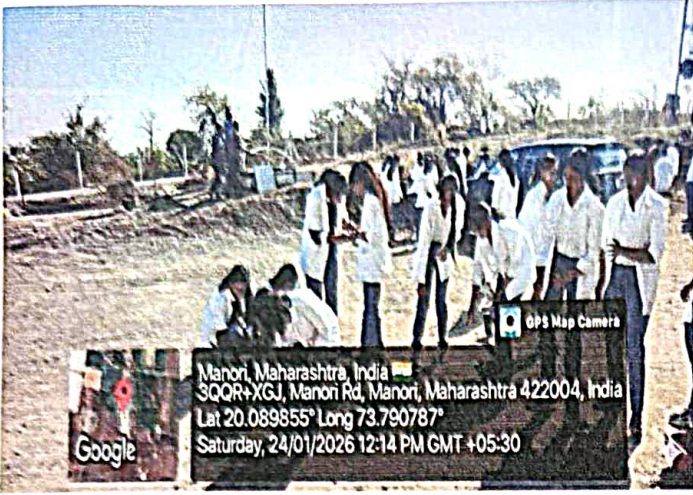

Swachhata Abhiyan in Indian Institute of Medical Sciences Ayurved College under Azadi Ka Amrut Mahotsav As part of the Azadi Ka Amrut Mahotsav, a nationwide celebration commemorating 76 years of India's independence, our college organized a special Swachhata Abhiyan under guidance of our **Principal Dr. Sampat Bhatane sir**. The initiative aimed to contribute to the broader vision of a clean and healthy India, aligning with the spirit of freedom and progress that the nation has achieved over the years.

Planning and Coordination:

The Swachhata Abhiyan under the Azadi Ka Amrut Mahotsav began with meticulous planning and coordination. A dedicated committee, comprising students, faculty, and staff, was formed to oversee the execution of various cleanliness activities. The campaign was designed to reflect the historical significance of the occasion while emphasizing the importance of a clean environment. Students actively engaged in a comprehensive cleanliness drive, focusing on both the college premises and heritage structures within. Students participated in picking up litter and ensuring waste segregation.

Reflection and Future Commitment:

The **Swachhata Abhiyan** under the **Azadi Ka Amrut Mahotsav** served as a meaningful reminder of our responsibility towards maintaining cleanliness and preserving our cultural heritage. As we celebrated **76 years** of independence, the campaign inspired a sense of pride and commitment to continue contributing to the nation's progress through cleanliness and environmental sustainability. The event concluded with a collective pledge to uphold these values in the future, fostering a cleaner and greener India for generations to come.

**Swachhata Abhiyan
on 24th Jan 2026.**
