Free Multispecialty Diagnosis & Treatment Camp

Date: Tuesday, 14 July 2026

Time: 10:00 AM to 3:00 PM

Venue: Sankat Mochan Hanuman Mandir, Wadhne Colony, Mhasrul, Nashik

Introduction

As a part of its commitment towards community healthcare and social responsibility, **Indian Institute of Medical Sciences Ayurved College & Hospital, Manori, Nashik**, organized a **Free Multispecialty Diagnosis & Treatment Camp** on **Tuesday, 14 July 2026** at **Sankat Mochan Hanuman Mandir, Wadhne Colony, Mhasrul, Nashik**. The camp aimed to provide quality healthcare services, early diagnosis, free consultation, and medicines to the local community while promoting awareness regarding preventive healthcare and the benefits of Ayurveda.

The camp received an overwhelming response from residents of Mhasrul and nearby areas. People from different age groups, including children, adults, and senior citizens, participated enthusiastically and availed themselves of the free medical services.

Objectives of the Camp

- To provide free medical consultation and treatment to the general public.
- To promote preventive healthcare and healthy lifestyle practices.
- To create awareness about Ayurvedic principles and holistic healthcare.
- To identify patients requiring further medical attention and provide appropriate guidance.
- To provide free medicines and health counselling.
- To strengthen community outreach services of the institution.

Medical Team

The camp was conducted under the guidance of experienced Ayurvedic consultants:

- **Dr. Dhananjay Pawar (BAMS, MD) Department of Kayachikitsa**
- **Dr. Pritilata Hire (BAMS, MS) Department of Shalya Tantra**
- **Dr. Ruchi Borse (BAMS, MD) Department of Kaymarbhritya**

The doctors examined patients, diagnosed various health conditions, prescribed suitable Ayurvedic medicines, and provided detailed counselling regarding diet, lifestyle

modifications, yoga, and preventive healthcare.

Supporting Team

The successful organization of the camp was made possible through the dedicated efforts of the following staff members:

- **Mr. Ganesh Sanap** – Non-Teaching Staff
- **Mr. Samadhan Jadhav** – Hospital Public Relations Officer (PRO)
- **Mr. Keshav Pawar** – Nursing Staff
- **Ms. Sonal Wadje** – Pharmacist
- **Sixth Student Volunteers**
- Students present for yesterday's camp (**Batch 2024-25**)

1. Achyut Talwade
2. Tanish Upadhye
3. Saurabh Ghodke
4. Surbhi Tusawara
5. Vedanti Khillare
6. Pradnya Rajane

The team efficiently handled registration, patient guidance, vital assessment, maintenance of records, medicine distribution, crowd management, and coordination throughout the programme.

Services Provided

The following healthcare services were provided free of cost:

- Registration of beneficiaries
- General medical examination
- Ayurvedic consultation
- Diagnosis of acute and chronic diseases
- Blood pressure examination
- Health counselling
- Dietary and nutritional advice
- Lifestyle modification guidance
- Free Ayurvedic medicines
- Referral advice for patients requiring specialized investigations or further treatment

Patient Attendance

The camp witnessed excellent public participation.

Category	Number
Adult Patients	29
Children Patients	42
Total Beneficiaries	71

The majority of patients sought consultation for seasonal illnesses, respiratory complaints, digestive disorders, musculoskeletal pain, skin diseases, paediatric illnesses, fever, nutritional deficiencies, and general health-related concerns.

Medicines Distributed

Free Ayurvedic medicines were dispensed according to the prescriptions issued by the consulting physicians. Each patient received detailed instructions regarding dosage, dietary precautions, and follow-up advice to ensure effective treatment outcomes.

Community Response

The camp received an encouraging response from the local community. Beneficiaries appreciated the quality of medical consultation, the courteous behaviour of the

healthcare team, and the availability of free medicines. The awareness created regarding preventive healthcare, healthy lifestyle practices, and Ayurveda was well received by the participants.

The camp successfully achieved its objective of extending quality healthcare services to the community. A total of **71 patients**, comprising **29 adults** and **42 children**, benefited from the programme. Patients requiring further evaluation and long-term treatment were advised to visit the hospital for follow-up consultation.

The event also provided valuable exposure to student volunteers by enabling them to participate in community-based healthcare activities and understand the practical aspects of patient care and public health services.

The **Free Multispecialty Diagnosis & Treatment Camp** was successfully conducted with active support from the management, faculty members, doctors, hospital staff, administrative staff, nursing staff, pharmacist, and student volunteers. The programme reflects the institution's continued commitment to providing accessible, affordable, and quality healthcare services to society through community outreach initiatives.

The management of **Indian Institute of Medical Sciences Ayurved College & Hospital, Manori, Nashik**, expresses sincere gratitude to all doctors, staff members, volunteers, and the local community for their wholehearted support and contribution towards the successful organization of the camp.

volunteers, and the local community for their wholehearted support and contribution towards the successful organization of the camp.
